### **PROFILE**

I have been working as a professional video editor for nine years, hitting broadcast deadlines as well as working on a wide variety of commercial jobs for DVD release, internet and in-store screens. I have my own facilities featuring the Adobe Creative Suite and Final Cut Studio, both with which I am fully proficient, a 2.1 BA in Television and Radio from Salford University, production and camera operation experience; owning a Canon 5D mark iii, and a full driving licence.
