PROFILE

I am a video editor with eleven years experience hitting broadcast deadlines as well as working on a wide variety of commercial jobs for DVD release, internet and in-store screens; with a broad skill set ranging from short to long-form film and documentary, fashion and music. I have my own facilities featuring the Adobe Creative Suite and Final Cut Studio; both in which I am fully proficient, a full drivers licence and a 2.1 BA in TV and Radio from Salford University.
